He is confident _____ his success.

- A. Of
- B. At
- C. By
- D. With

33. Read the passage below and answer the question that follows:

Do you know how blueberries grow? They grow on bushes. Each blueberry is small and round. Many blueberries can grow on one bush. At first, the blueberries are green. The green berries are not ready to eat yet. They need a lot of sun and rain to help them become fat and sweet. When the berries turn blue, they are ripe and ready to be picked.

Some farmers grow blueberries in big fields. The people who live nearby can earn money by helping to pick the blueberries. Each one takes a pail out to the field and fills it with blueberries.

They work fast so that they can fill many pails. They want to earn as much money as they can. When they are done picking, their fingers are blue from the juice of the berries!

After the blueberries are picked, they are put into boxes and sent to stores. People buy the blueberries and take them home to eat. Some people like to wash the berries and eat them one by one. Other people like to cook with blueberries. They make blueberry muffins and pancakes.

No matter how you eat them, blueberries taste great!

What is the opposite of the word 'sweet'?

- A. Juicy
- B. Sour
- C. Dry
- D. Sugary

34. Read the passage below and answer the question that follows:

The children of L.S. Vidyalaya, had a wonderful time yesterday. They were captivated by the speed, agility and showmanship of magician, Kim Rathod. The children watched him spell-bound for two hours. All that broke the silence was a gasp of astonishment or the sound of spontaneous applause, appreciating a trick.

Out of his magic wand came flowers, ribbons and garlands of every possible colour and seemingly unending length. It came in such quick succession that everyone was left gasping. One or two young children came up to examine the thin stick wondering how it could hold so much. They were really frustrated. As if that was not magical enough he made a rabbit pop out of an empty wooden box. It went hopping around the stage. It was soon put back into the box and seconds later, he pulled out a rat, soft, white and squeaking. The little ones seemed a little frightened by this, while the others clapped and cheered loudly. This was the grand finale.

The children did not want it to end. They shouted 'encore', 'once more'. But Kim gave them a bright smile and vanished from the scene. The children were left searching here and there for him. Then they walked out excitedly recounting what they had seen and how wonderful it was. One of the boys Rajan declared loudly, it was the best magic show of the century!

What is the meaning of 'spontaneous'?

- A. At once
- B. Always
- C. Never
- D. Continuous

35. Read the passage below and answer the question that follows:

How does a butterfly grow? It starts out as a tiny egg. It becomes a caterpillar. It eats lots of leaves. It grows and grows. Then it goes inside a cocoon. At last, it comes out It's a butterfly!

How does a frog grow? It starts out as a tiny egg in the water. The egg grows into a tadpole. It keeps changing. It eats tiny plants. It grows and grows. At last, it hops out of the pond. It's a frog!

How does a flower grow? It starts out as a seed. Sun and rain help the seed grow. Roots grow into the ground. The plant grows and grows. At last, a bud opens. It's a flower!

Now you know how things grow!

Where does a tadpole live?

- A. In a tree
- B. Under a rock
- C. In the sky
- D. In the water
